

# EUROPEAN FINANCIAL COALITION

against Commercial Sexual Exploitation of Children Online

## Contribution to the fight against the commercial distribution of illegal content depicting the sexual abuse of children

1.

Support international  
Law Enforcement  
investigations through  
cooperation with private  
stakeholders;

2.

Assess and study the  
commercial child  
sexual exploitation  
on the Internet

4.

Empower Law  
Enforcement Authorities  
and private companies in  
counteraction by delivering  
training and sharing of  
resources

3.

Protect legitimate  
private business interests  
from possible misuse of  
their services to distribute  
child sexual abuse content  
through different  
ICTs

5.

Inform decision  
makers and raise  
awareness among  
the public about the  
EFC's activities
